BUCKEYE UNION HIGH SCHOOL

"BACKGROUND"

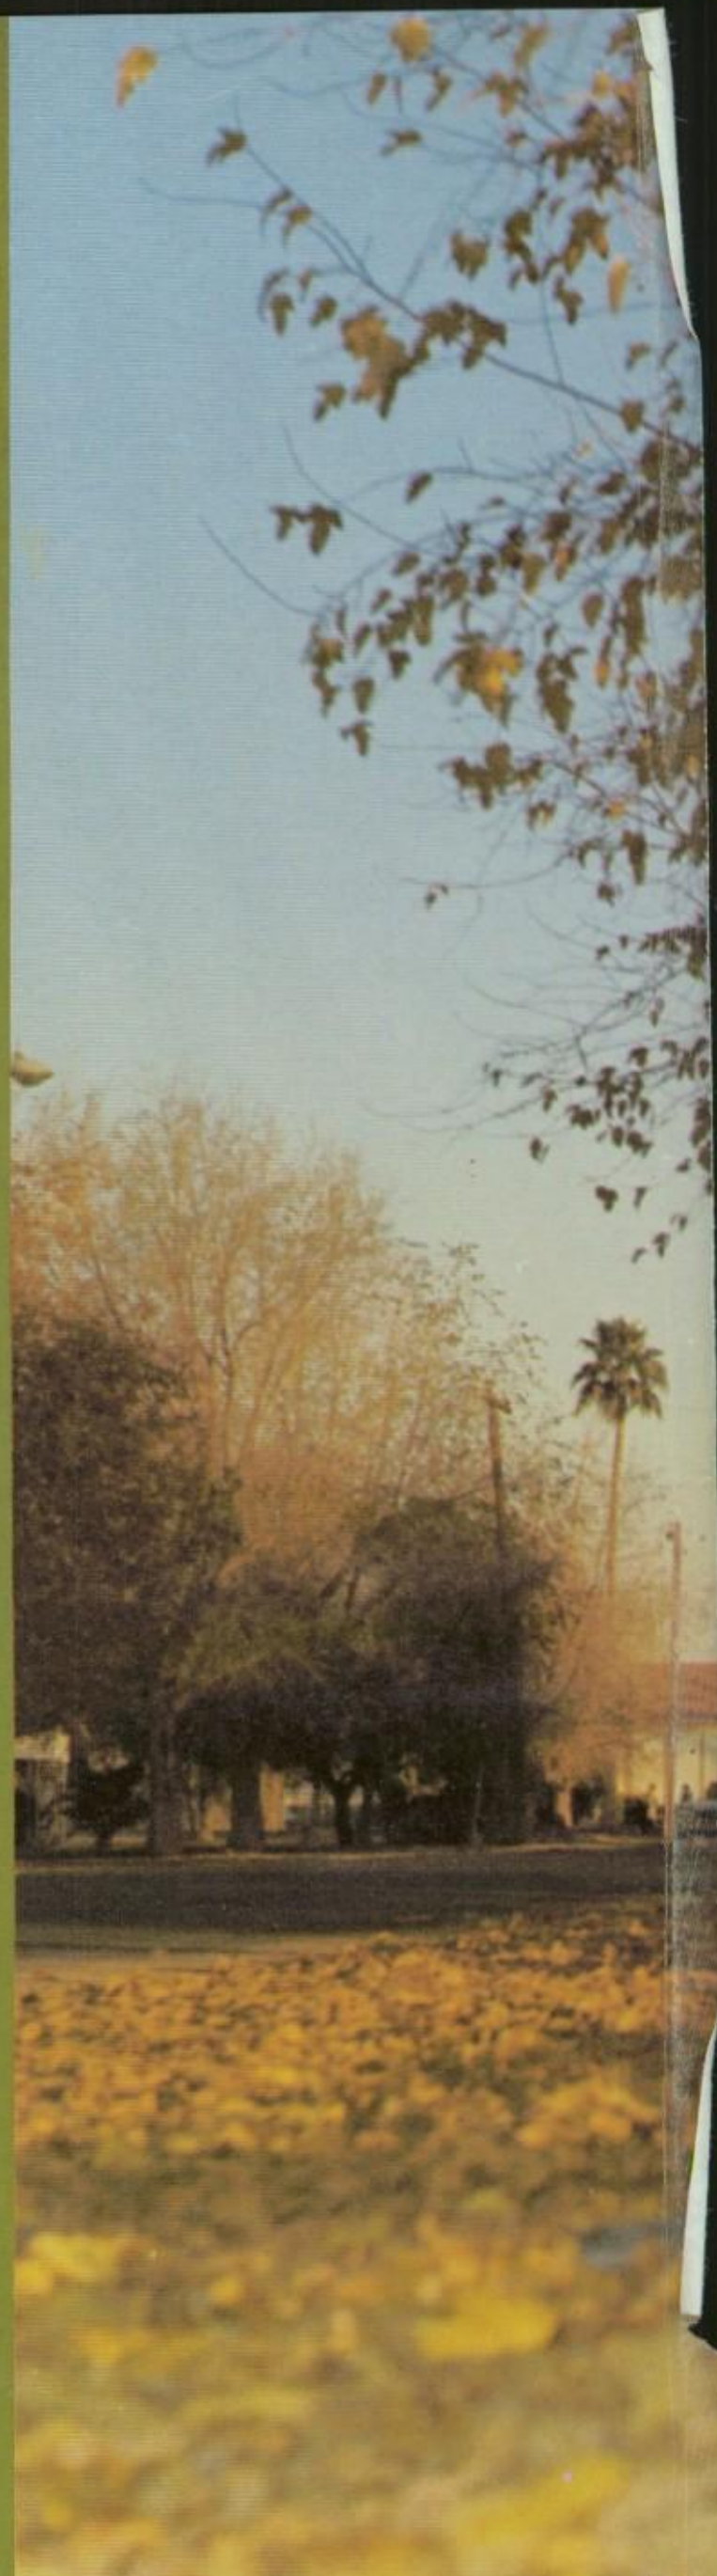

An Ohion, M. M. Jackson, along with two other natives of that state, built one of Arizona's first modern -day irrigation canals southwest of Phoenix in the 1880's, and named it Buckeye Canal for his home state. The townsite laid out in the middle of this fertile agricultural land in 1889 at first was called Sydney after an Ohio town of the same year. The community was incorporated as Buckeye in 1931. Buckeye is situated 35 miles from Phoenix in a broad valley between the White Tank Mountains on the north and the Maricopa Mountains to the south and is known as the Western Gateway to the Valley of the Sun.

The first high school annual for Buckeye Union High School was published in 1925 with Norma Brown as Editor-in-Chief. The name of the yearbook was "El Ocotillo" and its aim, as it is today, was to record the years activities for the school that will bring many happy memories in the years to come. It was only inevitable that the first yearbook would be dedicated to its principal, Mr. Horace Kincaid. At that time the high school was located at the present Buckeye Elementary School on 6th Street. The building contained eight rooms with four rooms on the south for the elementary grades and four rooms on the north for the high school. The high school teaching staff consisted of the principal and four other teachers. With Cordelia and Ethel Campbell as the first two graduates in 1921, the alumni of the school at the first year of publication of the yearbook was 23.

In 1929 Arlington, Buckeye, Liberty and later Palo Verde united for the purpose of making an accredited high school. Ruth Fisher presently sends its students on a tuition basis. The doors of the New Buckeye Union High School on Eason Avenue opened on September 24, 1924 with about 100 students in enrollment and Mr. Herschel Hooper as its principal. In 1929 the name of the yearbook was changed to "The Buckeye" and it wasn't until 1935 that the student body gathered on the east side of the campus and changed the name of the yearbook to "The Falcon", to distinguish it from the school newspaper "The Hawk". In 1925 the athletic teams were known as the "Wildcats", later they became the "Buckeyes", and finally in 1929 the mascot became the "Hawks".

Farsighted planning 1931 provided ten acres of ground and a building that grew gracefully as the additions of a Study Hall-Library, auditorium, classrooms, and a gymnasium were made to the existing "A" Building which had ended at the double doors of "A" building.

Mr. Herschel Hooper ended his 20 year principalship at B.U.H.S. with the addition of "B" wing and the moving of the football stadium to its present location. Filling the vacancy left by Mr. Hooper was Mr. Alvin Ellis who stayed until his untimely death in the spring of 1959. Mr. William (Bill) Olsen, the associate principal, finished off the school year. Under Principal Ellis the old gymnasium was torn down, the front part of the shop area was built, and the baseball field at the Buckeye Park was finished. The Homecoming Dance in 1957 was held in the newly completed gymnasium.

Steadily increasing enrollment met the new superintendent, Mr. Chester D. McNabb, in 1959, and classrooms had to be built. "C", "D", and "E", Wings and the easting facility, "Hawks Haven" were constructed. The Auditorium which had become dilapidated received a re-modeling and beautiful decorating job. The football stadium (Olsen Field) is now one of the outstanding high school stadiums in the country and adding to its beauty, is the press box and ticket booths which were built by the school's Construction Classes. Perhaps the frosting on the cake is the new round building expected to be completed in 1975 which will serve as Library and materials center and will be the focal point of the campus. The curved building to its north will add to its aesthetic beauty and will house the art room and counselors. This last building expansion should terminate the building extent planned for B.U.H.S. as re-districting of the valley should perhaps bring future building sites.

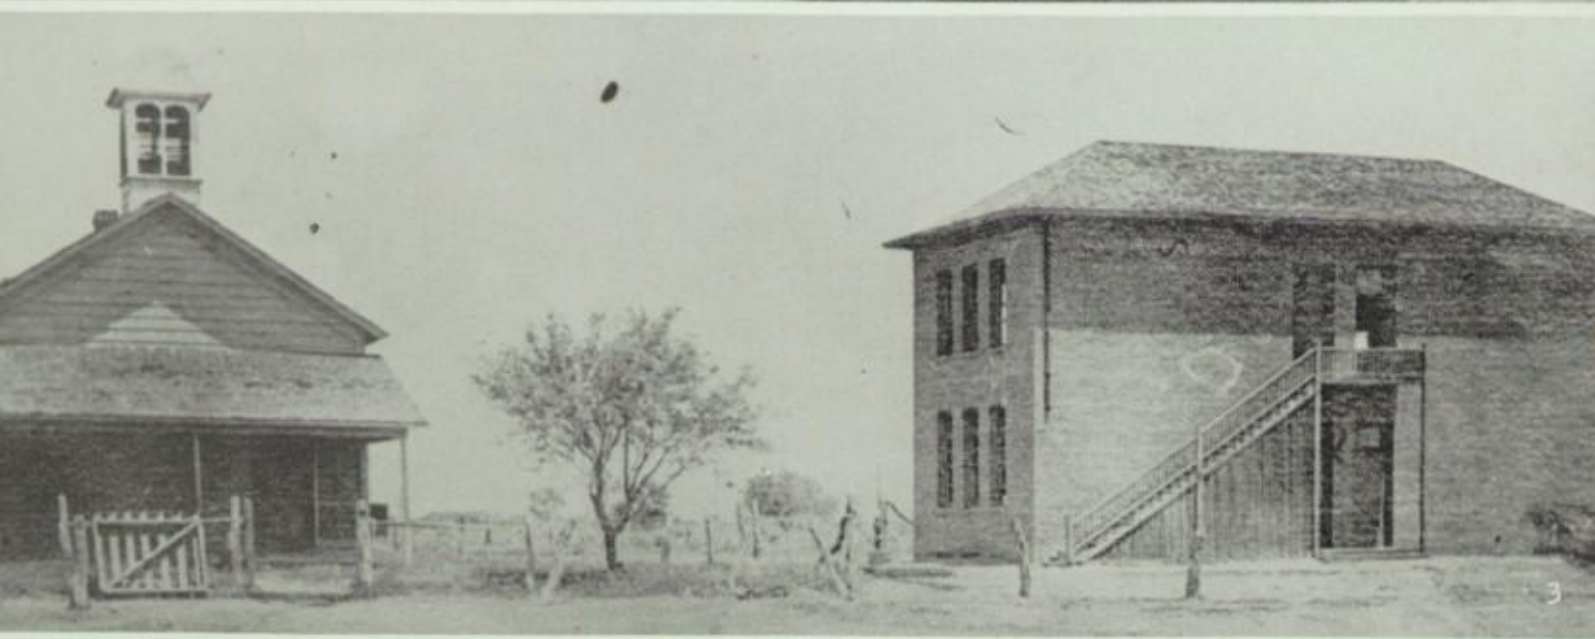

The community of Buckeye should be very well proud of its high school and what it has provided for its young. At the present time plans are under way for an extension of Maricopa Tech College to provide a 2-year Community College which will give the area students the opportunity to receive an Associate of Arts Degree.

BOARD OF EDUCATION

The Buckeye Union High School Board of Education is concerned with the management of the Buckeye Union High School District. The job entails the balancing of the financial budget, determining curriculum policies, and approving requests which make for smoother relationships in the school community. All business of the school is transacted in regular, special, and executive sessions. A member is elected and serves for a five year period. The members are Mr. Murray Johnson, President, Mr. Bill Flower, Clerk, Mr. Sam Cambron, Mr. Lyle King, and Mr. Charles Youngker. The school is proud of the accomplishments of the Board and their unselfish dedication and service.

THE REAL THING

In Arizona, we like to borrow a phrase--"the real thing"! Cooperative Education permits the student to actually experience a real honest-to-goodness job in the real honest-to-goodness world while still attending high school. The Cooperative Education concept goes beyond the four walls of the classroom and reaches out into the real, everyday world of work where the student can see and hear and experience first-hand many of the conditions he has read and heard about for so long in school. The concept is built around an organized system of co-operation between student, school, and employer.

District #25 likes to shoot
candid on the side.

Jackie Sprague-5'6"...
A straight kid with a personal-
ity of gold. "Fort Knox wants
you!"

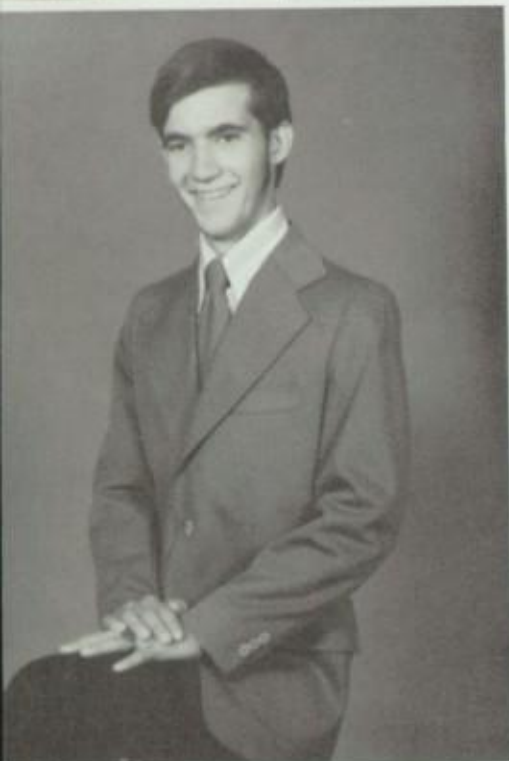

Vicki Stephens-4'5"...
Have you seen that foreign job
she drives? She gets 40 Miles
to a gallon of Kool-Ade.

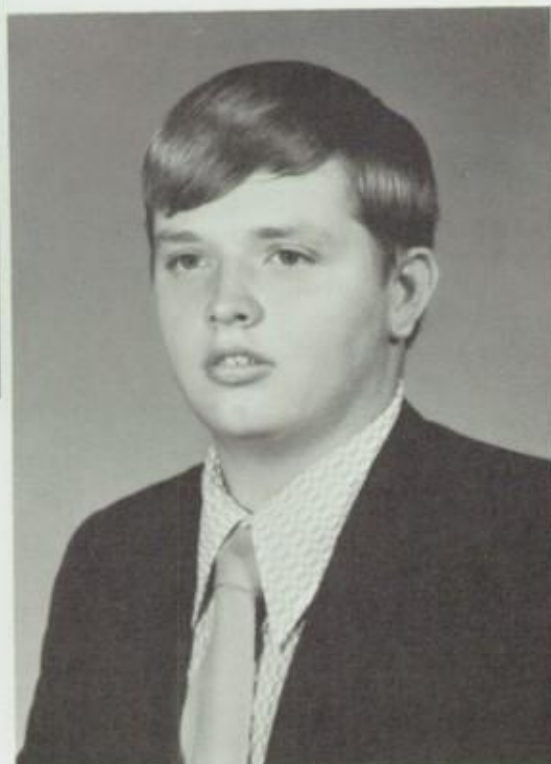

Randy Stewart-5'3"...
His parents put him on top
of the Christmas Tree. Boy,
I'll bet that was a pain.

Susan Sprowls-5'2"...
One of a three man comedy
team (remember curly),
"Three Stooges".

John Strother-5'11"...
He's in my sixth hour class
this semester and can you be-
lieve it, not once has he
talked!

David Tedder-4'5"...
A nice person to know when
you need help.

Tim Terkelsen-7'2"...
He's a star, remember the
movie Rudolph? He played
Toothless.

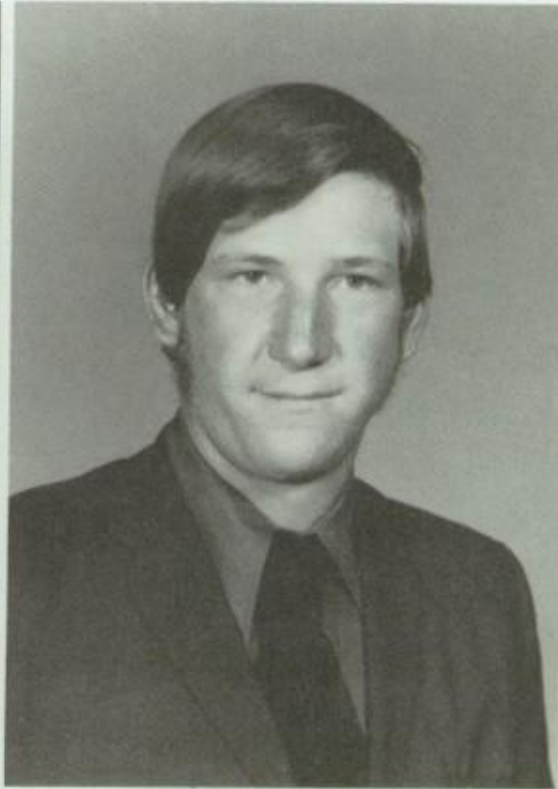

Eloisa Tijerina-8'4"...
Actually she likes to travel
incognito so she walks
stooped over.

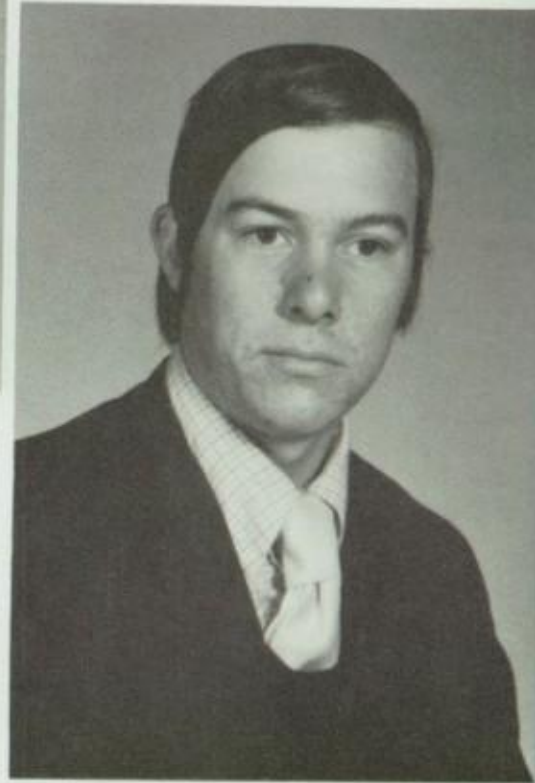

Jodine Tilley-4'5"...
If it's a giggle you hear she's
got to be there.

David Treguboff-8'4"...
For his twelfth birthday they
put him on the rack his actual
size was reportedly 5'9".

Robert Turner-3'9"...
His humor astounds even the
dullest of people.

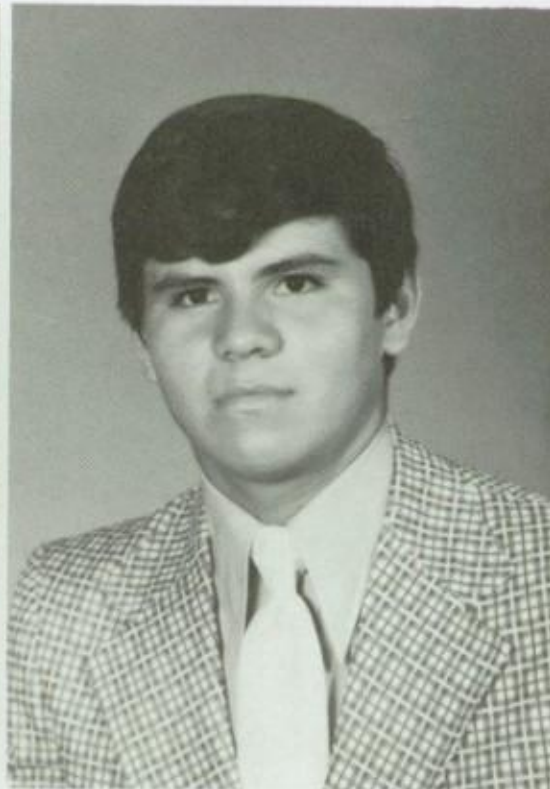

Darrell Tilley-4'6"...
His dad got him a new
Maverick, why can't kids
adopt parents? Equal
Opportunity!

David Uribe-5'10"...
He left our school but he
will miss us.

Anna Villa-5'3"...
Quiet and shy but her lovliness
is known all over.

Ernie Villa-5'11"...
A wrestler and watch his hold.

Norma Villa-5'3"...
The girl with a lovely smile
and witty humor.

Linda Vose-5'4"...
The president of Senior Class
and she was president of
eighth grade at Liberty.

Tamzyn Wagner-5'5"...
Blond; quiet and how do you
pronounce that name?

David Watkins-5'10"...
The Soloist tenor in Con-
cert Choir and a charming
personality.

Roger Villa-5'10"...
Known as Raunchy. Cuts up
at Gillums!

Jim Weatherford-6'1"...
With him on your side how can
you loose?

Nancy Welch-5'6"...
Witty and something against
small cars. You should see the
dent in mine.

Linda Whitham-5'2"...
She just lives next door to the
school so if you see her walk-
ing, let her.

Lynn Whitlock-5'3"...
Tall and lithe and artistic
is the word for her.

Lindy Witherspoon 5' 11" . . .
She put a dent in the gas tank
trying to find a party.

Pat Yanez - 5' 2" . . .
A pleasing personality and wit
that will knock you out of your
chair.

Annette Wilson - 5'6"
If you see a big hat walking
around, Chances are she will
be under it.

Carlos Ybarra - 5' 6" . . .
If you see an orange duster
coming down the road, it's not
an orange.

David Kimbrel - 8'4" . . .
What's the weather up there?
The guy with the smile.

A yearbook should be a pictorial review of the activities for a certain year. This being a special edition, we have included pictures showing both closeups and three quarter shots to show hair and clothing styles of 1974-75 which might be of interest to someone in future years. The brief descriptions for the Seniors were composed by Nancy Welch who says she knows everyone. Thank You, Nancy!

-Editor-

Jim Yule - 6' 4" . . .
He is quiet but you will get to
know him.

STUDENT COUNCIL

The Student Council is made up of the Associated Student Officers and representatives from each class and authorized club in the school. It is through this organization that requests are made by clubs and classes for all activities, and take up matters relating to student problems arising in the school. The B.U.H.S. Council is a member of the Arizona Associated Student Council and a member of the National Association of Student Councils. This year the Student Council re-introduced Freshman Day and everyone seemed to enjoy participating. The Homecoming Bonfire was a tremendous success since the fire was started before the crowd got there. The annual Christmas Food Drive was held again this year and the food was distributed by the council members. Some of the rooms were missing the American Flag and the Council made a survey in order to purchase flags for them. Perhaps the most important project for the council was the forming of the T. A. S. C. which is Teacher, Administrator, Student Committee. This Committee is composed of Mr. McNabb, Mr. Charman, Mr. Sweeney, Mrs. Sandberg, Mr. McCormick, Ken Porter, Linda Vose, Lori Wilson, Tim Villa, Sande Pierce, and K. Hunter. The committee tries to bring ideas together to improve the school atmosphere. They met every other Wednesday and discussed problems and ideas regarding the school community.

PEP CLUB

The Pep Club promotes the best interest in the school by stimulating school spirit. The duties of Pep Club are to advertise the games and encourage student attendance. This is done by preparing posters and developing pep assemblies which seem to be the outlet for school spirit. Under the leadership of its officers the club works after school in planning their activities. The club is sponsored by Mr. John Stutzman. A new constitution was written this year and an executive board of five to seven officers was created. The Pep Club float won second place at the Homecoming Parade.

CHESS CLUB

Sponsor: Mr. George Stephens

The Chess Club is a club designed to give beginning and experienced chess players a chance to learn and improve on their ability to play the game of chess. Several meetings were held during the year in order for experienced players to teach the fundamentals to the new members and to provide the opportunity for competition. Chess is gaining in popularity and the club had an increase in membership. A money-raising concession was held in order to buy new chess sets and boards. A tournament is usually held in the spring to determine who the best player in the school will be.

The Buckeye Union High School Science Club is an active club of the school. It's objectives are to promote and further, the scientific knowledge and experimental ability of its members. One of its activities was attending the Arizona State University Science Fair. The making of Peanut Brittle is an annual event as well as the water bottle party. The club is open to any student who is interested in the objectives of the club. The club members enjoy selected scientific films, laboratory demonstrations and laboratory experiments involving chemistry, physics, and biology.

THE HAWK

Sponsor: Mr. Jim Grosbach

THE HAWK, in conjunction with the Graphic Arts Department, publishes the official school newspaper in an attempt to record student activities, accomplishments, and events taking place at the school. Published on a frequent basis, the newspaper contains regular news, features, interviews of students and staff, and entertainment material designed to help each student feel more a part of the student body and the school family. Hawk staff members mainly come from Journalism Classes, but any student is welcome to become a staff member upon demonstration of reliability and ability to find news. The Graphic Arts Department renders an invaluable portion of its time to the mechanical aspect of newspaper publishing, much in the same way a print shop operates with an editorial staff of any regular city newspaper.

THE HAWK hopes to publish more and more frequently as the years go by, providing more and better service to its readers. In years to come, the current issues of the Hawk will be valuable mementos of the past, as well as reliable historical source of student life in the 70's.

ASTRONOMY CLUB

The Astronomy Club is centered around the Planetarium facility. Members become involved in the methods of Astronomy and related sciences and are encouraged to participate in the sky observations with the reflecting telescope. One such activity was the observation of Cellisto, a moon of Jupiter as it went into eclipse. Open houses are held periodically as well as fund raising activities for the purpose of taking an annual trip to either of the two Arizona Observatories Lowell or Kit Peak. "Cosmic Christmas" is perhaps one of the highlights of the Clubs' activities as over a hundred guests came to see this display. Don Davis along with other members of the club put together a program on "The Star of Bethlehem." The club is sponsored by Mr. Neil Hopkins.

Construction is an organization which provides students with the opportunity to plan and build a structure. Two of the main projects this year were to complete two Baseball dugouts on Ellis Field. These were to be ready by Baseball Season. The other project was a bathroom and storage closet in one of the houses owned by the school.

These projects give the students an opportunity to do block work, cement work, stucco, plumbing, roofing, and painting. The group is sponsored by Mr. Hank Newberry.

CONSTRUCTION

STUDENT ACTION FOR EDUCATION

Student Action for Education explores career opportunities related to education. This year members of the club visited elementary school classrooms as observers and gained a better idea of what it means to be a teacher. Through the year the club members heard guest speakers and saw films and film strips about careers. Club members completed a series of interviews where teachers were giving them information about educational and personal qualifications for various teaching areas. The group is sponsored by Mrs. Mary King.

The Future Homemakers of America is a national organization through which members develop as individuals by taking responsibility for the youth planned and youth directed activities that extend beyond the classroom Home Economics Education program. This year the organization chose to decorate the Library for Christmas as a district meeting was held here with 200 girls participating. Genell Allen was chosen leader after the meeting. Two projects were planned for Easter. One was to paint Buckeye Senior-Citizens Hall and also a party for one of the rest homes in the Phoenix Area. It is indeed a satisfying feeling that the young people take interest in the older generation. The club also attended the State Meeting which was held in Tempe on March 22 & 23. The group was sponsored by Mrs. Pat Sivils and Mrs. Sherrie Sandberg.

SPEECH AND DRAMA CLUB

The newly organized Speech and Drama Club has been active this year. The club participated in Speech Contests at Mesa, Westwood, and Moon Valley High Schools as well as at Arizona State University. A fund-raising sale and a dance were held to make money for the club. In January a three-act play by Moss Hart and George S. Kaufman "You Can't Take it With You" was presented. This was the first play to be presented in a number of years and a project which proved quite successful. A night of one-act plays is planned for a future date. Since this was the first year of activity the club is well underway to a brighter future. The club is sponsored by Miss Janice Lee and assisted by Miss Korth.

Membership in Girls' Athletic Association is open to all girls interested in athletics. The aim of the club is to promote the spirit of cooperation and the highest ideals of good sportsmanship. GAA holds play day, sponsors all intramural tournaments, and participates in sports activities among other schools. The annual G.A.A. Dessert in February is held not only for a social get together but to present awards to its members. Every Wednesday after school the girls play the various sports such as volleyball, tennis, flag football, basketball, gymnastics and swimming. Miss Althea Evans and Mrs. Karen Estes sponsor this large group.

"B" CLUB

The "B" Club was organized to provide a common fellowship for all varsity lettermen at Buckeye Union High School, to promote athletics, sportmanship, school spirit, and good relations between athletes and school academics. Membership is open to those boys who have earned a varsity letter in one or more of the athletic sports at Buckeye Union High School. The club this year is sponsored by Mr. Hank Newberry.

President Frank Drew, Sec. Treasurer Chris Hunter, S.C. Rep. Gary Benson, Vice President Jerry Peyman

Lettergirls is an organization composed of those girls who have received a varsity letter in Tennis, GAA, Pom Pon, and Cheerleading. The Purpose of Lettergirls is to further interest girls in athletics. The basic duty of Lettergirls is to perform services to the school community. The group this year took on a worthwhile project to make dolls for retarded children. A trip to Oak Creek Canyon highlighted the groups activities. The group is sponsored by Mrs. Karen Estes and Miss Althea Evans.

The Industrial Arts Club is a National Organization sponsored by the American Industrial Arts Association. Students who are enrolled in or have taken a high school course in Woodwork, Drafting, General Shop, Plastics, Auto Mechanics, Metals, Industrial Crafts, Graphic Arts, or Electricity-Electronics are eligible for membership into the club. The purpose of the Club is to upgrade craftsmanship, encourage group effort, strengthen relationships between industry and education and to help students personal initiative and individual goals. The club is sponsored by Mr. Hank Newberry and Mr. Larry Lewis.

MOTTO: "Effective Living and Serving in a Technological Space Age World."

The young people of the Automotive Industries Club believe that service to the well-being of others through contributions of time and talents and worthwhile projects to the individual, school, community, and nation best reflects the true spirit of the democratic free enterprise ideal of America. Therefore, they strive to promote school spirit and high regard for the automobile, automobile maintenance and service, and a high regard for good driving through their many activities. A Spring Road Rally Traffic Safety Driving Course and a Traffic Safety-Check were the main projects of this re-activated organization under the sponsorship of Mr. Gutshall.

NATIONAL HONOR SOCIETY

The Buckeye Union High School Chapter of the National Honor Society is composed of members of the Junior and Senior classes who have proven themselves to be outstanding in the fields of Scholarship, Character, Leadership, and Service. After meeting scholastic requirements eligible students are rated by the entire faculty on the other characteristics. After the first semester of the Sophomore year, students are considered for provisional membership if their grade average is 1.5 or better, and if they fulfill the other requirements. This active chapter also serves as a service organization and has helped regularly at school functions. A dessert for the purpose of installing new members was held in the fall and a book scholarship is given each year to a graduating member. The National Honor Society is sponsored by Mrs. Marea Wood.

VARSITY FOOTBALL

The 1975 Varsity team ended up the season with an overall record of 6-3 and were 4-1 in conference play. They finished second in the conference to Class A Champion Lake Havasu. Six Buckeye players were named to the all Conference team. They were Paul Asselin, Gary Benson, Frank Drew, John Massengale, Jerry Peyman, and Ernie Villa. Asselin was selected to the All-State Team. The team is coached by George Werner and his assistants Bob Roberts and John Rhode.

GIRLS VOLLEYBALL

This year was the first year for GIRLS VOLLEYBALL TEAM. Their record was 0-5. Considering the girls had only two weeks of practice before their first match and no experienced players the girls did a fine job. Next years team should be a stronger one with four returning letter girls.

Front Row LR: Albert Kent, Raul Sanchez, Jerry Lopez, Domingo Perez, Danny Salcido 2nd Row: Coach Newberry, Johnny Nunez, Tom Cambron, Dwain Allen, Rick Oxford, Rick Ellsworth

CROSS COUNTRY

The Buckeye Cross Country Team did very well this season. The Team placed 2nd in the "A" West Division Meet and 3rd place in the Class "A" State Meet at Estrella Park. Raul Sanchez, Freshman, won first place in the Division Meet and 4th in the State Meet. Domingo Perez, Sophomore, placed 5th in the Division Meet and 19th in the State Meet. Albert Kent, Freshman, and Dwain Allen, Senior, placed 10th and 11th, respectively in the Division Meet and 24th and 31st in the State Meet. Tom Cambron, Senior, John Nunez, Sophomore, and Rick Oxford, Senior, placed 41st, 64th, and 69th, respectively, in the State Meet. Other Team Members, Rick Ellsworth, Danny Salcido, and Jerry Lopez did well during the regular season to help make up one of the best teams the HAWKS have had for sometime. Next year the returning underclassmen should make up a fine CROSS COUNTRY TEAM.

HAWK WRESTLING

Coach: Mr. Jerry Benson
Ass't.: Mr. John Rhode

The Hawk Wrestling Team finished second in the Class "A" West Division and placed third in the State. Along the way the Matmen compiled a 6-2 Dual Meet Record. Both losses came at the hands of State Champions, Dysart. Success this year was due to good leadership and a great team effort. Leading the team was the Outstanding Wrestler, Two-time State Champion, Senior Frank Drew. Frank finished the season with a 28-1 record. In four years of wrestling, Drew has an amazing 68-15-1 Won-Loss-Tie record. Another team leader was Senior John Masengale. John received the Most Improved Award by running up a 24-3 Won-Loss record. He also won the State Championship in the 155# weight class. Several other Hawk wrestlers gave outstanding performances this season. Senior Ernie Villa won the Class "A" West Division Championship in the 191# weight class. Ernie also took 4th place in the State Tournament. Junior Gary Benson and Sophomore Reuben Wood both took 3rd place in the State. Senior Eddie Hamilton and Sophomore Domingo Perez both placed 4th in the State Tournament.

This year's team will lose 5 good wrestlers to graduation. It will be extremely difficult to replace the likes of Frank Drew, John Masengale, Ernie Villa, Eddie Hamilton, Jim Weatherford, and David Harris. However, Benson, Huff, and Leonard Masengale along with Sophomores Curtis Mason, Reuben Wood, and Domingo Perez will be the main nucleus of the Varsity next year.

With good prospects up from the Junior Varsity Squad (which had a 7-1 Dual Meet Record) the HAWKS should be very respectable again next year.

DICK BLACK

The Christmas Formal this year with the theme of "A CHRISTMAS TO REMEMBER" was sponsored by the Girls' League under the direction of Miss Kathy Bedard. The dance was held on the auditorium stage with the music of Hilary Blaze. The stage was decorated with snow-tipped bare trees and decorated evergreens and with Santa Claus making a surprise visit again this year, a good time was held by all those who attended. The King and Queen were crowned by last year's royalty Della Cambron and Carl Burns.
